

5 - Gang Wall Plate, Decorator, Dual GFCI and Dual Toggle Openings, Night Black Brass, 120V/15A

- Five-gang configuration with one decorator, two GFCI and two toggle openings
- Brass construction finished in Night Black for a uniform all-black appearance
- Rated for 120V/15A electrical service
- IP20 rated for standard indoor dry-location use
- Non-Waterproof environmental rating
- UL listed with a 1-year warranty

OVERVIEW

The C-VTG-AB-5-D-G-G-T-T is a 5-gang wall plate finished in Night Black all-black brass, built for residential and light commercial wiring applications. The plate combines one decorator opening, two GFCI openings and two toggle-style openings across five positions, supporting mixed-device installations at a single wall location.

Constructed from brass and rated for 120V/15A service, the plate carries an IP20 rating and a Non-Waterproof environmental rating, indicating suitability for standard indoor dry-location use.

It is UL listed and backed by a 1-year warranty.
