OVERVIEW

The C-VTG-AB-5-D-G-G-U-U is a 5-gang wall plate assembly finished in Night Black all-black brass, configured with one decorator opening, two GFCI openings, and two USB openings. It is intended for residential supply applications requiring a custom multi-device configuration in a single gang arrangement. Constructed from brass, the assembly is rated for 120V at 15A and carries an IP20 environmental rating with a Non-Waterproof environmental classification, suitable for standard indoor dry-location installations. The assembly is UL listed and backed by a 1-year warranty.
