

5 - Gang Decorator Wall Plate, Night Black Brass, 120V/15A, UL Listed

- Five-gang decorator-style openings in a single brass assembly
 - Night Black brass finish for uniform appearance across all openings
- Rated for 120V/15A circuit applications
 - IP20, non-waterproof rating intended for indoor use only
 - UL listed for verified electrical compliance
 - Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-AB-5-D-G-S-S-T is a 5-gang decorator-style wall plate finished in Night Black brass, configured for residence supply applications requiring a uniform all-black finish across multiple device openings. It suits multi-gang installations in commercial or upscale residential settings where consistent finish across switch and outlet positions is specified. Constructed from brass, the plate covers five decorator-style openings in a single assembly and is rated for 120V/15A circuits with an IP20, non-waterproof environmental rating suited to indoor use only. The unit is UL listed and carries a 1-year warranty.
