

5 - Gang Wall Plate, One Decorator, Two Switch, One Toggle and One USB Opening, 120V/15A, Night Black Brass, UL Listed

- 5 - gang configuration with one decorator, two switch, one toggle and one USB opening
- Brass construction for structural durability
- Night Black (all-black) finish for a uniform dark aesthetic
- IP20 rated for non-waterproof, dry indoor environments
- Rated for 120V/15A standard residential electrical service
- UL listed and backed by a 1-year warranty

OVERVIEW

The C-VTG-AB-5-D-S-S-T-U is a 5-gang wall plate configured with one decorator opening, two switch openings, one toggle opening, and one USB opening, finished in Night Black (all-black) brass. It is built for residential supply applications where a consistent dark aesthetic and multi-device functionality are required in a single wall plate. Constructed from brass with an IP20 rating, the plate is suited to dry, non-waterproof indoor environments. It is rated for 120V/15A service, consistent with standard North American residential wiring, and carries a 1-year warranty. The assembly is UL listed for compliance with recognized electrical safety standards.
