OVERVIEW

The C-VTG-AB-5-D-S-S-U-U is a 5 - gang brass wall plate finished in Night Black, configured with one decorator opening, two switch openings and two USB openings. It is intended for residential supply applications requiring a coordinated dark - finish device plate with mixed switch, decorator and USB functionality in a single gang assembly.

Constructed from brass and rated for 120 V / 15 A circuits, the plate carries an IP20 rating and a Non - Waterproof environmental rating, suitable for standard indoor dry - location installations.

The device is UL listed and carries a 1 - year warranty.
