

5 - Gang Brass Wall Plate, Duplex/Toggle and Three USB Openings, 120V 15A, Night Black

- 5 - gang configuration with duplex, toggle and three USB openings
 - Brass construction for durable multi - gang wall plate assembly
- Rated 120V 15A for standard residential circuits
 - IP20 environmental rating for non - waterproof indoor use
 - UL listed for verified electrical safety compliance
 - Backed by a 1 - year manufacturer warranty

OVERVIEW

The C-VTG-AB-5-D-T-U-U-U is a 5 - gang wall plate finished in Night Black, configured with one duplex receptacle opening, one toggle switch opening and three USB openings. It is built for residential supply applications where contractors and property managers need coordinated electrical finish hardware across multi - gang installations.

Constructed from brass, the plate is rated for 120V 15A circuits and carries an IP20 environmental rating with a Non - Waterproof designation, suited to standard indoor dry - location use.

The device is UL listed and backed by a 1 - year warranty.
