

5 - Gang Wall Plate, Night Black Brass Finish, 120V/15A, UL Listed

- Five-gang configuration with five device openings in one plate
- Brass construction for durable, corrosion-resistant housing
- Night Black all-black finish for a uniform appearance
- Rated 120V at 15A for standard residential circuits
- IP20 non-waterproof rating suited for indoor installations
- UL listed and backed by a 1-year warranty

OVERVIEW

The C-VTG-AB-5-G-G-G-G-S is a 5-gang wall plate finished in Night Black with an all-black brass construction. Designed for residential supply applications, it provides five device openings in a single assembly, suited for multi-device switch or outlet configurations in interior wall installations.

Constructed from brass, the plate offers a durable, corrosion-resistant housing rated 120V/15A with an IP20, non-waterproof environmental rating appropriate for indoor use.

The assembly is UL listed and backed by a 1-year warranty.
