

5 - Gang Decorator Wall Plate, Brass, Night Black Finish, 120V/15A, UL Listed

- 5-gang configuration with three decorator openings, one switch, and one toggle opening
- Brass construction with Night Black finish
- Rated for 120V circuits at up to 15A
- IP20 rated for non-waterproof, dry-location indoor use
- UL listed for compliance verification
- 1-year manufacturer warranty

OVERVIEW

The C-VTG-AB-5-G-G-G-S-T is a 5-gang wall plate assembly built from brass with a Night Black finish, configured with three decorator-style openings, one switch opening, and one toggle opening for residential supply installations. The assembly suits dry-location residential and light commercial wiring layouts requiring a mixed-device gang plate. Rated for 120V and 15A circuits, the plate carries an IP20 rating for non-waterproof, standard indoor dry-location use. The assembly is UL listed and backed by a 1-year warranty.
