

5 - Gang Decorator Wall Plate, Night Black Brass, 120V 15A UL Listed

- 5 - gang configuration with three decorator, one switch and one USB opening
 - Brass construction with Night Black finish
 - IP20 rated for non - waterproof indoor installation
- Rated for 120V/15A residential and light commercial circuits
 - UL listed assembly
 - Backed by a 1 - year warranty

OVERVIEW

The C-VTG-AB-5-G-G-G-S-U is a 5 - gang decorator - style wall plate finished in Night Black brass, built for residential and light commercial supply applications requiring a uniform dark - toned finish. The configuration provides three decorator openings, one toggle switch opening and one USB opening, allowing a mix of device types within a single plate. Constructed of brass, the plate carries an IP20 rating for non - waterproof indoor use and is rated for 120V/15A circuits consistent with standard North American wiring. The assembly is UL listed and backed by a 1 - year warranty.
