

5 - Gang Wall Plate, Night Black Finish, 3 Duplex/2 Toggle Openings, 120V 15A Brass

- Five-gang configuration with three duplex and two toggle openings
- Brass construction for durability in indoor applications
- Night Black/All Black finish for uniform appearance across devices
- Rated for 120V, 15A electrical service
- IP20 rating suited to non-waterproof, dry-location use
- UL listed and backed by a 1-year warranty

OVERVIEW

The C-VTG-AB-5-G-G-G-T-T is a 5-gang wall plate finished in Night Black/All Black, configured with three duplex receptacle openings and two toggle switch openings. It is intended for residential supply installations where a uniform all-black appearance is desired across multiple devices on a single plate.

Constructed from brass, the plate is rated for 120V/15A service and carries an IP20 rating for standard indoor dry-location use. It is UL listed and backed by a 1-year warranty.
