

5 - Gang Wiring Device Plate, Night Black Finish, 3 Duplex Outlets & 2 USB Ports, 120V 15A

- Five-gang configuration with three duplex receptacle openings and two USB ports
- Night Black finish for a unified dark-toned appearance
- Brass construction for device durability
- Rated 120V, 15A for standard residential circuits
- IP20 rated, Non-Waterproof, for indoor dry-location use
- UL listed with a 1-year warranty

OVERVIEW

The C-VTG-AB-5-G-G-G-U-U is a 5-gang wiring device assembly in a Night Black finish, configured with three duplex receptacle positions and two USB charging port positions. It is intended for residential supply applications requiring a unified dark-finish appearance combined with mixed power and USB charging access.

Constructed from brass, the assembly is rated for 120V, 15A service and carries an IP20 rating with a Non-Waterproof environmental rating, suitable for standard indoor dry-location installations.

The assembly is UL listed and backed by a 1-year warranty.

SPECIFICATIONS
