

5 - Gang Configurable Wall Plate, Night Black Brass Finish, 120V 15A

- 5-gang configuration for custom switch and outlet layouts
- Brass construction with Night Black / All Black finish
- Rated for 120V / 15A electrical service
- IP20 environmental rating for dry indoor locations
- UL listed for code-compliant installation
- Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-AB-5-G-G-S-S-T is a 5-gang configurable wall plate finished in Night Black / All Black, intended for custom switch and outlet arrangements in residential and light commercial electrical work. It allows contractors and electricians to assemble a unified all-black device layout across five gang openings.

Constructed from brass, the plate is rated for 120V / 15A service and carries an IP20 environmental rating, suitable for standard indoor dry-location use.

The device is UL listed and backed by a 1-year warranty.
