

5 - Gang Wall Plate, Night Black Brass Finish, 120V/15A, UL Listed, GGSTT Configuration

- Five-gang wall plate in Night Black all-black brass finish
- Brass construction for durability in gang box installations
- Rated 120V at 15A for standard residential and commercial circuits
- IP20 environmental rating for indoor dry-location use
- UL listed for code-compliant installation
- Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-AB-5-G-G-S-T-T is a 5-gang wall plate finished in Night Black all-black brass, built for residential and commercial supply installations requiring the GGSTT gang configuration. It suits multi-device gang boxes where a coordinated dark finish is specified across switches and receptacles.

Constructed from brass, the plate is rated for 120V/15A service and carries an IP20 environmental rating, indicating suitability for standard indoor dry-location use. It is listed as non-waterproof and rated for LED accessory life of 50,000 hours where applicable.

The assembly is UL listed and carries a 1-year warranty.
