

5 - Gang Wiring Device Plate, Night Black Brass Finish, 120V 15A, UL Listed

- Five-gang configuration: one grounded outlet, three toggle switches, one three-way toggle
- Brass body with Night Black all-black finish
- Rated 120V at 15A maximum current draw
- IP20 environmental rating for Non-Waterproof indoor use
- UL listed for code-compliant installation
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-AB-5-G-S-S-S-T is a 5-gang wiring device plate finished in Night Black over an all-black brass body. The five-opening layout is arranged as one grounded outlet opening, three toggle switch openings, and one three-way toggle switch opening, suited for residential supply installations that require a coordinated dark-finish device plate across multiple switch and outlet locations.

The plate is rated for 120V service at 15A and carries a Non-Waterproof, IP20 environmental rating, making it appropriate for standard indoor wiring device applications rather than wet or damp locations.

It is UL listed and backed by a 1-year warranty.
