

5 - Gang Wall Plate, GFCI, Switch, Three Toggle Openings, Night Black Brass, 120V/15A

- 5-gang configuration with GFCI, switch and three toggle openings
- Night Black finish over solid brass construction
- Rated for 120V/15A residential supply service
- IP20 rating for standard indoor dry-location use
- UL listed for compliance verification
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-AB-5-G-S-T-T-T is a 5-gang wall plate finished in Night Black all-brass, configured with one GFCI opening, one switch opening, and three toggle openings for residential supply applications. It suits multi-device outlet installations where a coordinated dark-finish aesthetic is required alongside standard electrical device layouts.

Constructed from brass, the plate is rated for 120V/15A service and carries an IP20 rating, suitable for standard indoor dry-location installations.

The product is UL listed and backed by a 1-year warranty.
