

5 - Gang Toggle Switch Wall Plate, Brass, Night Black Finish, 120V/15A, UL Listed

- Five toggle switch openings in a single 5-gang plate
 - Brass construction for durable, repeated switching
 - Night Black all-black finish for uniform dark aesthetic
- Rated 120V at 15A for standard branch circuits
 - IP20 environmental rating for indoor dry locations
 - UL Listed with 1-year warranty

OVERVIEW

The C-VTG-AB-5-S-S-S-S-S is a 5-gang wiring device configured with five toggle switch openings, finished in an all-black (Night Black) brass construction for residential and light commercial switch banks requiring a uniform dark aesthetic.

The device is rated 120V at 15A and carries an IP20 environmental rating, suited to standard indoor dry-location installations. Brass construction supports durability under repeated switching.

The device is UL Listed and backed by a 1-year warranty.
