

5 - Gang Toggle Switch Plate, Night Black Brass, 120V/15A, UL Listed

- Five-gang configuration with five toggle switch openings
 - Brass construction with Night Black finish
 - Rated for 120V/15A electrical service
- IP20 rated for standard interior dry-location use
 - Non-Waterproof environmental rating
 - UL listed with 1-year warranty

OVERVIEW

The C-VTG-AB-5-S-S-S-S-T is a 5-gang toggle switch plate finished in Night Black on brass, configured with five toggle switch openings. It is intended for residence supply wiring installations where coordinated decorator hardware is specified across commercial or upscale residential projects.

Constructed from brass with a Night Black finish, the plate is rated for 120V/15A service and carries an IP20 rating for standard interior dry-location use, with a Non-Waterproof environmental rating.

The device is UL listed and carries a 1-year warranty.
