

5 - Gang Wall Plate, Four Single Openings and One USB, Night Black Brass, 120V 15A UL Listed

- Five-gang configuration with four single-device openings and one USB opening
- Brass construction with Night Black finish for a uniform all-black look
- Rated 120V at 15A for standard residential circuits
- IP20 rated for indoor dry-location use only
- UL Listed for compliance verification
- Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-AB-5-S-S-S-S-U is a 5-gang wall plate finished in Night Black, configured with four single-device openings and one USB port opening. It is intended for residential supply installations where a consistent all-black aesthetic is required alongside multi-device functionality.

Constructed from brass, this wall plate is rated for 120V/15A service and carries an IP20 rating for standard indoor dry-location use. It is classified Non-Waterproof and is not intended for wet or damp locations.

The device is UL Listed and backed by a 1-year warranty.
