OVERVIEW

The C-VTG-AB-5-T-U-U-U-U is a 5-gang brass wiring device finished in Night Black/All Black, configured with one toggle switch and four USB openings. It is part of a build-your-own residential supply line intended for contractors and property managers who need a customizable, multi-gang wall device with a uniform black finish.

The device is rated for 120V operation at up to 15A current draw and carries an IP20 rating, indicating suitability for standard indoor, non-waterproof, dry-location installations.

The unit is UL listed and backed by a 1-year warranty.
