

1 - Gang Vintage Wall Plate, Black and Gold Brass Finish, 120V/15A, UL Listed

- Brass construction for durability in wiring device applications
- Black and gold finish for period-appropriate vintage aesthetic
- Rated for 120V, 15A residential supply circuits
- IP20 rated, non-waterproof indoor use only
- UL listed for compliance verification
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-BG-1-G is a single-gang wall plate finished in black and gold, built for residence supply applications where vintage-style hardware is specified. It fits standard 1-gang electrical boxes and suits retrofit or new-construction projects calling for period-appropriate device covers.

The plate is constructed of brass and rated for 120V, 15A service, carrying an IP20 rating for non-waterproof indoor use. It is UL listed and backed by a 1-year warranty.
