OVERVIEW

The C-VTG-BG-1-S is a single-gang decorator wall plate finished in black and gold brass, built for residential and light commercial wiring installations. Its vintage-inspired finish suits applications where standard plastic cover plates are not appropriate, including upscale residential builds, hospitality interiors, and renovation projects requiring a period-appropriate look.

The plate is rated for 120V and 15A service and carries an IP20 rating for non-waterproof, indoor use. It is UL listed and backed by a 1-year warranty.
