

1 - Gang Toggle Wall Plate, Black and Gold, Brass, 120V/15A, UL Listed

- Single-gang toggle configuration for standard switch openings
- Brass construction for durability in indoor installations
- Black and gold finish for decorative vintage-style applications
- Rated 120V/15A for standard residential circuits
- IP20 environmental rating for non-waterproof indoor use
- UL listed with 1-year warranty

OVERVIEW

The C-VTG-BG-1-T is a single-gang toggle wall plate finished in black and gold, built for residential and light commercial wiring applications. It fits standard toggle-style switches installed in single-gang electrical boxes.

The plate is constructed of brass and rated for 120V/15A circuits, with a non-waterproof, IP20 environmental rating suited to indoor dry-location use.

The product is UL listed and carries a 1-year warranty.
