

2 - Gang Wall Plate, Black and Gold Brass Finish, 120V 15A, UL Listed

- 2-gang configuration for dual device openings
- Brass construction with black and gold finish
- Rated for 120V, 15A residential circuits
- IP20 rated for indoor, non-waterproof installation
- UL listed for code compliance
- Backed by 1-year warranty

OVERVIEW

The C-VTG-BG-2-G-G is a 2-gang wall plate finished in black and gold, constructed of brass for use in residential supply applications where a decorative yet durable cover is required. It fits standard multi-gang outlet and switch configurations in interior installations.

The wall plate is rated for 120 V and 15 A circuits with an IP20 environmental rating for indoor, non-waterproof use.

The product is UL listed and carries a 1-year warranty.
