

2 - Gang Toggle Wall Plate, Brass, Black and Gold Finish, 120V/15A, UL Listed

- 2-gang toggle configuration for multi-switch installations
- Brass construction with black and gold finish
- Rated 120V at 15A for standard residential circuits
- IP20 rated for indoor, non-waterproof environments
- UL listed for code-compliant installations
- Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-BG-2-T-U is a 2-gang toggle-style wall plate finished in black and gold, built from brass for residential and light commercial electrical installations where a decorative hardware aesthetic is specified. It fits standard multi-switch configurations and is rated for 120V/15A circuits with a non-waterproof, IP20 environmental rating suited to indoor use. The device is UL listed and carries a 1-year warranty.
