

3-Gang Wall Plate with Two Decorator Openings and One Switch, Brass, Black and Gold, 120V/15A

- Three-gang layout with two decorator openings and one switch opening
- Brass construction finished in black and gold
- Rated for 120V service at 15A
- IP20 rating for indoor dry-location use
- UL listed for code-compliant installations
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-BG-3-D-D-S is a 3-gang wall plate configured with two decorator openings and one switch opening, finished in black and gold over brass construction. It is intended for residential and light commercial wiring applications where multiple circuit controls are grouped at a single mounting point.

The device is rated for 120V service at 15A and carries an IP20 rating, indicating suitability for standard indoor dry-location installations.

The assembly is UL listed and backed by a 1-year warranty.
