

3-Gang Wall Plate, Two Decorator Openings and USB, Brass, Black and Gold, 120V 15A

- Configured with two decorator openings and one USB opening
- Brass construction finished in black and gold
- Rated 120V at 15A for standard North American circuits
- IP20 rated, non-waterproof environmental classification
- UL listed
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-BG-3-D-D-U is a 3-gang wall plate finished in black and gold, constructed of brass and configured with two decorator openings and one USB opening. It is suited for residential and light commercial installations where a coordinated decorative finish is required alongside standard electrical access.

Rated for 120V at 15A, this plate is compatible with standard North American wiring configurations. The brass material provides a durable, consistent finish appropriate for visible installation locations. The plate carries an IP20 rating and is classified non-waterproof.

The device is UL listed and backed by a 1-year warranty.
