

3-Gang Decorator Wall Plate, Black and Gold Brass Finish, 120V/15A, UL Listed

- Three-gang decorator-style wall plate configuration
- Brass construction for durability
- Black and gold finish
- IP20 rated, non-waterproof, for indoor use
- Rated for 120V/15A circuits
- UL listed with 1-year warranty

OVERVIEW

The C-VTG-BG-3-D-G-T is a 3-gang decorator-style wall plate finished in black and gold, built for standard decorator (Decora-style) device openings in residential and light commercial wiring installations. It fits standard 3-gang electrical boxes and is constructed from brass for durability in indoor applications.

The plate carries an IP20 environmental rating and is classified non-waterproof, suited for dry, indoor locations only. It is rated for 120V/15A circuits, matching standard decorator device and receptacle ratings.

The product is UL listed and backed by a 1-year warranty.
