

3-Gang Wall Plate, Decorator/Switch/USB, Brass, Black and Gold Finish, 120V/15A

- Configurable with one decorator, one switch, and one USB opening
- Brass construction for durability
- Black and gold finish
- Rated 120V, 15A for branch circuit use
- IP20 rated for dry indoor locations
- UL listed, 1-year warranty

OVERVIEW

This 3-gang wall plate combines a decorator opening, a switch opening, and a USB opening in a single brass assembly finished in black and gold. It is intended for residential and light commercial wiring installations requiring a mixed-device configuration at one location.

The plate is rated for 120V/15A service, consistent with standard North American branch circuits, and carries an IP20 rating suitable for dry indoor locations.

The product is UL listed and backed by a 1-year warranty.
