

3-Gang Brass Wall Plate, Decorator Toggle and USB Openings, Black and Gold, 120V/15A

- Brass construction with black and gold finish
- Configured with decorator, toggle and USB openings
- Rated 120V/15A for standard wiring device service
- IP20 rating for dry indoor environments
- UL listed assembly
- 1-year warranty

OVERVIEW

The C-VTG-BG-3-D-T-U is a 3-gang wall plate in brass construction finished in black and gold, configured with a decorator opening, a toggle opening and a USB opening for coordinated device layouts. It is intended for standard multi-gang wall box installations in residential and light commercial settings.

The plate is rated for 120V/15A service with an IP20 rating, suitable for dry indoor environments. Brass construction provides a consistent metallic finish across the three-gang configuration.

The assembly is UL listed and carries a 1-year warranty.
