

3-Gang Wall Plate, Black and Gold Brass Finish, UL Listed, 120V/15A

- Three decorator-style openings configured as gang, gang, gang
- Brass construction with black and gold finish
- Rated for 120V, 15A electrical circuits
- IP20 environmental rating for indoor dry locations
- UL listed for compliance verification
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-BG-3-G-G-G is a 3-gang wall plate with three decorator-style openings, finished in black and gold brass. It is intended for residential and light commercial wiring installations where a vintage-inspired metallic finish is specified for switches or receptacles.

The plate is constructed of brass and rated for 120V, 15A circuits, with a non-waterproof, IP20 environmental rating suited to indoor dry locations.

The product is UL listed and carries a 1-year warranty.
