

3-Gang Toggle Switch Wall Plate, Black and Gold Brass, 120V/15A, UL Listed

- Three-gang wall plate with three toggle switch openings
- Brass construction with black and gold finish
- Rated for 120V circuits at 15A current draw
- IP20 rated for indoor dry-location use
- UL listed for code-compliant installations
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-BG-3-S-S-S is a 3-gang wall plate with three toggle switch openings, finished in black and gold brass. It is designed for residential and light commercial wiring installations where decorative vintage-style hardware is specified. It is part of a configurable "Build Your Own" series, allowing contractors and property managers to select gang count and finish to match project requirements.

The device is rated for 120V and 15A circuits and is constructed from brass for durability. It carries an IP20 rating and is classified non-waterproof, suitable for standard indoor dry-location installations.

The product is UL listed and backed by a 1-year warranty.
