

3-Gang Toggle Switch Plate, Black and Gold Brass, 120V/15A, UL Listed

- Three toggle switch openings in a 3-gang configuration
- Black and gold brass finish for a vintage aesthetic
- Rated 120V at 15A for standard residential circuits
- Brass material construction
- IP20 rated, non-waterproof environmental rating
- UL listed, 1-year warranty

OVERVIEW

The C-VTG-BG-3-S-T-T is a 3-gang toggle switch wall plate assembly finished in black and gold brass, configured with three toggle switch openings. It is built for standard multi-gang wall box installations where a vintage metallic aesthetic is specified.

The assembly is rated for 120V operation at 15A and carries a non-waterproof IP20 environmental rating, suited for interior residential and light commercial supply circuits. Brass construction supports the decorative black and gold finish while maintaining device durability.

The unit is UL listed and backed by a 1-year warranty.
