

3-Gang Brass Wall Plate with Switch and Dual USB Openings, 120V/15A, UL Listed

- 3-gang brass wall plate with one switch opening and two USB openings
- Rated 120V at 15A for standard residential circuits
- Black and gold finish for decorative gang-box installations
- IP20 rated, classified non-waterproof for indoor use
- UL listed
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-BG-3-S-U-U is a 3-gang wall plate configured with one switch opening and two USB openings, finished in black and gold. It is intended for residential and light commercial electrical installations where a decorative brass aesthetic is specified across switch, outlet, and control device locations.

The plate is constructed of brass and rated for 120V at 15A circuits. It carries an IP20 environmental rating and is classified non-waterproof, suited for indoor gang-box mounting.

The device is UL listed and backed by a 1-year warranty.
