

3-Gang Wall Plate, Three USB Openings, Black and Gold Brass, UL Listed, 120V/15A

- Configured with three USB openings for a 3-gang layout
- Brass construction with black and gold finish
- Rated for 120V at 15A
- IP20 rated, non-waterproof, for indoor installation
- UL listed
- 1-year warranty

OVERVIEW

The C-VTG-BG-3-U-U-U is a 3-gang wall plate configured with three USB openings, finished in black and gold over a brass body. It is intended for residential and light commercial supply applications where a decorative vintage-style finish is required alongside standard multi-gang electrical fitment.

The plate is rated for 120V/15A service and carries an IP20 environmental rating, classified as non-waterproof for indoor use. It is UL listed and backed by a 1-year warranty.
