

4-Gang Wall Plate, Two Duplex and Two Decorator Openings, Black and Gold Brass, 120V/15A

- 4-gang configuration with two duplex and two decorator openings
- Brass construction with black and gold finish
- Rated 120V at 15A for standard branch circuits
- IP20 rated for indoor dry-location use
- UL listed
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-BG-4-D-D-G-G is a 4-gang wall plate finished in black and gold, built for residential and light commercial installations that call for a decorative, high-end look. The plate is configured with two duplex openings and two decorator openings in a single gang assembly, suitable for multi-outlet runs in living spaces, hospitality interiors, or upscale commercial builds.

Constructed from brass, the plate carries a 120V/15A rating and an IP20 rating for standard indoor dry locations. It is classified Non-Waterproof and is UL listed.

The product carries a 1-year warranty.
