

4-Gang Decorator Switch Plate, Black and Gold, Brass, 120V/15A, UL Listed

- 4-gang decorator configuration in black and gold finish
- Brass construction for durable wiring device hardware
- Rated 120V at 15A for standard residential circuits
- IP20 rated for indoor dry-location use only
- Non-waterproof environmental rating
- UL listed with a 1-year warranty

OVERVIEW

The C-VTG-BG-4-D-S-S-S is a 4-gang decorator wall plate and switch assembly finished in black and gold, constructed from brass. It is intended for residential and light commercial supply applications where a decorative vintage-style finish is combined with metal hardware construction.

The device is rated for 120V/15A service and carries an IP20 rating, suitable for standard indoor dry-location installations, with a non-waterproof environmental rating.

The assembly is UL listed and carries a 1-year warranty.
