

4 - Gang Wiring Device Wall Plate, Black and Gold Brass, 120V 15A, UL Listed

- 4-gang configuration with one decorator, two toggle and one USB opening
- Rated 120V, 15A service
- Brass construction for durability
- IP20 rating for indoor dry-location use
- Black and gold finish
- UL listed, 1-year warranty

OVERVIEW

The C-VTG-BG-4-D-T-T-U is a 4-gang wall plate finished in black and gold, constructed of brass for use with wiring devices in residential and light commercial projects. The configuration includes one decorator opening, two toggle openings, and one USB opening, suited to mixed-device outlet arrangements.

The plate is rated for 120V and 15A service with an IP20 rating for indoor dry-location use. Brass construction supports durable, long-term installation.

The product is UL listed and carries a 1-year warranty.
