

4-Gang Vintage Wall Plate, Decorator, Toggle and Dual USB Openings, Black and Gold, UL Listed, 120V/15A

- Four-gang configuration with decorator, toggle and two USB openings
 - Brass construction for consistent finish and mechanical durability
- Rated for 120V/15A residential and light commercial circuits
 - IP20 rated for dry indoor, non-waterproof environments
 - UL listed assembly
 - Backed by a 1-year warranty

OVERVIEW

The C-VTG-BG-4-D-T-U-U is a 4-gang vintage-style wall plate finished in black and gold brass, configured with one decorator opening, one toggle opening and two USB openings across a single unified faceplate. It is intended for residential and light commercial wiring installations where mixed device types are combined at one location.

The plate is rated for 120V/15A circuits and carries an IP20 rating, suitable for dry indoor environments. Brass construction provides a consistent finish and mechanical durability across all four gang openings.

The assembly is UL listed and backed by a 1-year warranty.
