OVERVIEW

The C-VTG-BG-4-G-G-G-S is a 4 - gang decorator wall plate finished in black and gold, built for residential and light commercial wiring installations rated to 120V and 15A. It is part of a configurable Build Your Own series, letting contractors and property managers specify gang count and finish to match project requirements.

Constructed from brass, this wall plate accommodates four decorator - style openings for switches or receptacles in a coordinated installation, carrying a Non - Waterproof, IP20 environmental rating suited to indoor use.

The device is UL listed and backed by a 1 - year warranty.
