

4 - Gang Wall Plate, Black and Gold Finish, Brass, 120V/15A, UL Listed

- Four-gang configuration for multiple device openings
- Brass construction for a durable, rigid mounting plate
- Black and gold two-tone finish for decorative interiors
- Rated 120V/15A for standard residential branch circuits
- IP20 rated, non-waterproof design for dry indoor use
- UL listed with a 1-year warranty

OVERVIEW

The C-VTG-BG-4-G-S-T-U is a build-to-order 4-gang wall plate finished in black and gold, intended for decorative electrical installations in upscale residential and light commercial environments. The brass construction provides a durable base suited to premium interior applications.

The plate is rated for 120V/15A circuits and carries an IP20 environmental rating, indicating a non-waterproof design intended for dry indoor locations. It is UL listed and backed by a 1-year warranty.
