OVERVIEW

The C-VTG-BG-4-U-U-U-U is a black and gold 4 - gang wall plate constructed from brass, configured with four USB openings for residential and light commercial wiring installations. The vintage - inspired finish combination suits applications where decorative hardware consistency is a priority alongside functional wiring access.

This wall plate is rated for 120 V service with a 15 A current draw and carries an IP20 environmental rating for non - waterproof, indoor use.

The product is UL listed and backed by a 1 - year warranty.
