

5-Gang Wall Plate, Two Decorator and Three Toggle Openings, Black and Gold Brass

- 5-gang plate with two decorator and three toggle openings
- Brass construction with black and gold finish
- Rated for 120 V / 15 A residential circuits
- IP20 environmental rating for dry indoor use
- UL listed
- 1-year manufacturer warranty

OVERVIEW

The C-VTG-BG-5-D-D-T-T-T is a 5-gang combination wall plate configured with two decorator openings and three toggle switch openings, finished in black and gold. It is built for custom build-your-own plate assemblies in residential wiring installations where multiple switch and device types are combined on one gang.

Constructed from brass, the plate is rated for 120 V / 15 A circuits and carries an IP20 environmental rating with a non-waterproof environmental rating, suited to dry indoor locations.

The plate is UL listed and carries a 1-year warranty.
