- 1-year warranty

OVERVIEW

The C-VTG-BG-5-D-D-T-T-U is a 5-gang wall plate finished in black and gold, configured with two duplex openings, two toggle openings and one USB opening. Built for residential supply applications where a coordinated finish is required, the plate suits multi-device installations in hospitality, high-end residential or commercial interior settings.

Constructed from brass, the plate carries an IP20 rating and a Non - Waterproof environmental rating, suitable for dry indoor locations. It supports 120 V / 15 A circuits.

The assembly is UL listed and backed by a 1-year warranty.
