

Five-Gang Wall Plate, Decorator, Switch, Toggle, Tamper-Resistant and USB Openings, 120V 15A, Black and Gold

- Five-gang configuration with decorator, switch, toggle, tamper-resistant and USB openings
- Brass construction for durability in wiring device applications
- Rated 120 V at up to 15 A for standard residential and commercial circuits
- IP20 environmental rating for indoor dry-location installation
- UL listed for compliance verification
- Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-BG-5-D-S-T-T-U is a five-gang wall plate from the Build Your Own Residence Supply series, finished in black and gold. It combines a decorator opening, a switch opening, a toggle opening, a tamper-resistant opening and a USB opening in a single unified faceplate for commercial and residential installations.

Constructed from brass, the plate is rated for 120 V circuits at up to 15 A and carries an IP20 environmental rating, suitable for standard indoor dry-location use. It is listed as non-waterproof.

The assembly is UL listed and backed by a 1-year warranty.
