

5 - Gang Wall Plate, One Decorator, One Toggle, Three USB Openings, 120V 15A, Black and Gold

- 5-gang configuration with one decorator, one toggle, and three USB openings
 - Brass construction with black and gold finish
 - Rated 120V at 15A for standard residential circuits
- IP20 environmental rating for dry indoor use only
 - UL listed for compliance verification
 - Backed by a 1-year warranty

OVERVIEW

The C-VTG-BG-5-D-T-U-U-U is a 5-gang wall plate finished in black and gold, configured with one decorator opening, one toggle opening, and three USB-style openings. It is intended for residential supply applications where a custom multi-function switch or outlet arrangement is required in a single gang plate. Constructed from brass, the plate is rated for 120V/15A service and carries an IP20 environmental rating, indicating suitability for dry indoor locations only. The device is UL listed and backed by a 1-year warranty.
