

5 - Gang Wall Plate, Four Decorator Openings and One USB, Brass, Black and Gold, UL Listed, 120V/15A

- Five-gang configuration with four decorator openings and one USB opening
- Brass base material with black and gold finish
- Rated for 120V circuits at 15A current draw
- IP20 rated, non-waterproof, for indoor installation
- UL listed for compliance verification
- Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-BG-5-G-G-G-G-U is a 5-gang wall plate configured with four decorator openings and one USB opening, finished in black and gold for coordinated residential supply installations. The brass construction supports a durable interior mounting surface for combined switch and USB charging applications.

The plate is rated for 120V circuits at 15A and carries an IP20 environmental rating, indicating it is intended for non-waterproof, indoor use only.

The device is UL listed and backed by a 1-year warranty.
