

5 - Gang Wall Plate, Black and Gold Brass, 120V/15A, Three Decorator Openings Plus Toggle and USB

- Five-gang configuration with three decorator, one toggle and one USB opening
- Brass construction with black and gold finish
- Rated for 120 V / 15 A residential supply service
- IP20 environmental rating for dry interior locations
- UL listed assembly
- 1-year manufacturer warranty

OVERVIEW

The C-VTG-BG-5-G-G-G-T-U is a 5-gang wall plate finished in black and gold brass, configured with three decorator openings, one toggle opening and one USB opening. It is intended for residential supply applications where a custom multi-function wall plate layout is required in a single assembly.

Constructed from brass with a black and gold finish, the plate is rated for 120 V / 15 A service and carries an IP20 environmental rating, suitable for standard interior dry-location installations. It is listed as non-waterproof and is not intended for wet or damp locations.

The assembly is UL listed and backed by a 1-year warranty.
