OVERVIEW

The C-VTG-BG-5-G-S-T-U-U is a build-your-own residence supply wall plate finished in black and gold, configured as a 5-gang decorator-style unit with one GFCI opening, one switch, one toggle and two USB openings. It suits residential and light commercial wiring applications where a coordinated, multi-gang outlet or switch arrangement is required.

The plate is constructed of brass and rated for 120V at 15A, with an IP20 environmental rating for indoor, non-waterproof use. It is UL listed and carries a 1-year warranty.
