

5 - Gang Toggle Switch Wall Plate, Black and Gold Brass, 120V/15A, UL Listed

- Five single-toggle switch openings in one plate
- Brass construction with black and gold finish
- Rated 120 V at 15 A for standard switch circuits
- IP20 environmental rating for dry interior use
- UL listed for code-compliant installation
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-BG-5-S-S-S-S-T is a 5-gang wall plate finished in black and gold brass, configured with five single-toggle switch openings. It suits residential and light commercial installations where a coordinated decorative finish is required across multi-switch applications.

Constructed from brass, the plate is rated for 120 V service at 15 A and carries an IP20 environmental rating for standard interior dry locations.

The device is UL listed and backed by a 1-year warranty.
