

Bronze with Patina 2 - Gang Wall Plate, Brass, 120V/15A, UL Listed

- 2-gang configuration for standard wall box installations
- Brass construction with bronze with patina finish
- Rated for 120V/15A residential electrical circuits
- IP20 rated for non-waterproof interior applications
- UL listed for compliance verification
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-BP-2-G-T is a 2-gang wall plate finished in bronze with patina, designed for residential supply applications where a traditional or vintage aesthetic is required. It is intended for use with standard 2-gang electrical configurations in interior installations.

The plate is constructed from brass and rated for 120V/15A circuits, carrying an IP20 rating for non-waterproof interior use. The product is UL listed and backed by a 1-year warranty.
